MAY IT PLEASE HIS EXCELLENCY,

Memorial submitted by T. Krishnan Nair, Acting Lower Division Clerk, Special Sub Jail Mangalore, South Kanara District to His Excellency, the Governor of Madras.

The Memorialist respectfully begs to submit that he is a Lower Division Clerk serving in the Special Sub Jail Mangalore His appointment to the present status was made by the Madras Public Service Commission with effect from 1-9-1951 and he had, prior to this, put in 4 years continuous service on a temporary measure.

The Memorialist is an Ex-Service man, having been on active service in the Defence Department as a First Grade Clerk from 7-5-1941 to 19-11-1946, and did serve mostly in over-seas (Persia, Iraq, Singapore, Malaya, Assam & all over India) until he was released under category "A" and possesses a good certificate, wherein his character as assessed by the R.A.I. Instruction is "Exemplary".

Sometime ago, the Memorialist submitted a petition to the Secretary, Home Department, Govt. of Madras requesting to take into consideration the period of his temporary service put in the Jail Department for the purpose of increment of pay etc. and also to consider him as a War Service candidate and to be treated on a par with War Service candidates appointed in reserved vacancies.

Orders subsequently emanated from the Govt. informing him that his requests were rejected.

Although the Memorialist was for the time being satisfied about the orders passed on his petition by rejecting it, he now feels that he is justified in bringing afresh to the consideration of the benign Government the question of his being treated as a War Service candidate in view of the fact that the treatment accorded to Ex-Service men is becoming more and more generous.

The period of Army service as well as that of the temporary service rendered by him come to about 10 years. Still the position regarding his service is that he has just started his probation in the Jail Department and the number of years dedicated to Govt. service is neither remunerative to the present nor otherwise helpful to him in the future and the reaction to this feeling may naturally be one of regret.

The Memorialist therefore begs to request that His Excellency may be graciously pleased to consider him (Memorialist) as a War Service candidate, extending to him all the benefits thereof, and pass orders for his classification as such, so that he can feel himself justly rewarded for the War service rendered by him at the risk of his life.

THE MEMORIALIST.

Jails - Establishment - Sri T. Krishnan Nair, acting l.d. clerk in the Sub Jail, Mangalore - Request for treating him as a war service candidate - Memorial to the Governor.

Ref: From the I.G. of Prisons, No.974/B2/52 d/ 23.7.52.

The I.G. of Prisons has forwarded a memorial to the Governor submitted by Sri T. Krishnan Nair, acting l.d. clerk, Sub-Jail, Mangalore, in which he requests that he may be considered as a war service candidate.

The memorialist was first appointed on 12.11.47 as a temporary lower division clerk in the C.J., Cannanore, under rule 9(a)(i) of the General Rules for the Madras State and Subordinate Services and he was not then eligible for selection by the M.P.S.C. as he was overaged. He submitted a petition to Govt. in 1948 and a memorial to the Governor in 1950 in which he requested exemption from age limit and regularisation of his ervice. But his request was negatived on both the occasions. Again in Jan. 52, the memorialist submitted to Govt. a petition in which he requested that he might be allowed the benefits of his war service by granting him advance increments etc. and that his previous temporary services might be taken into account for purposes of increment and seniority in the Jail Dept. The I.G. reported that the petitioner came out successful in the examination specially conducted for the temporary clerks as per G.O.No.144 Pub (ser) d/ 18.1.51 and that his services were accordingly regularised with effect from 10.8.51, the date of the Commission's letter intimating the result of examination. As regards the petitioner's request for the grant of advance increment etc as given to other war service candidates, the I.G. reported that the question did not arise as the petitioner was not allotted against a war reserved vacancy and his war service was not reorganised by the M.P.S.C. The petitioner's request for counting his previous temporary service for purpose of seniority and increment was considered inadmissible under the instructions in G.O.Ms.No.144, Pub(ser) d/ 18.1.51 according to which, the petitioner's service would count for increment and seniority only from the date of

P.T.O.

regularisation of his appointment. The I.G. also considered that the petition deserved no consideration of Govt. The petition was accordingly rejected in G.O.R.No.1046, Home. d/ 31.3.52.

The memorialist now states that the period of army service as well as that of the temporary service in the Jail dept. rendered by him comes to about 10 years, that still the position regarding his service is that he has just started his probation in the Jail dept. that the number of years dedicated to Govt. service is neither remunerative at present nor otherwise helpful to him in the future and that the reaction to this may naturally be one of regret. He, therefore, requests that he may be considered as a war service candidate allowing him all the benefits thereof; so that he can feel himself justly rewarded for the war service rendered by him at the risk of his life. The I.G. of Prisons has stated that he has no further remarks to offer. Hence his previous recommendation referred to at X above may be taken to apply to the present memorial also.

The memorial contains no new points which warrant a reconsideration of the orders already passed in G.O.R.No.1040, Home, d/ 31.3.52. The personal file of the memorialist is put up below.

The file may be circulated to M(Law) and C.M. (with reference to Secretariat instruction 91) for orders.
